

ABOUT ME

Engineer with solid knowledge of HTML, CSS, JavaScript, and React. Mastering new technologies gives me a lot of satisfaction. I am focused on improving my skills in the field of front-end technologies. I want to create scalable and well-documented dry code. What I like on the frontend is that you can see the changes that I made to the code right away. Moreover, it is important to me that the user can conveniently use and interact with the website.

HOBBIES

"I agree to the processing of personal data provided in this document for realising the recruitment process pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)."

MARCIN FABISIAK

FrontEndDeveloper

IT WORK EXPERIENCE

I've placed here short description of projects that I've completed and links to github, where they are stored. In readme You can find links to netlify.

1. **project1PortfolioReact**
This project is a short description about my experience. I use hooks like: useState, useEffect, useRef and some custom hooks. The site is fully responsive. All styling is in SCSS(BEM).
2. **project2MultiPageQuizReact**
Second project is also in react. It is much more advance because it uses Context API to manage state and router to move within pages. It also uses npm react-beautiful-dnd
3. **project3PortfolioReactTypescript**
Last project is in Typescript. It uses such features like modals. I use here redux for managing state.

TECHNOLOGIES

- | | | |
|--------------|-----------|---------------|
| ❖ Html5 | ❖ Node.js | ❖ Redux |
| ❖ CSS | ❖ Gatsby | ❖ Context API |
| ❖ JavaScript | ❖ GraphQL | ❖ Axios |
| ❖ TypeScript | ❖ SCSS | ❖ Git |
| ❖ React | ❖ RWD | ❖ VS Code |

SKILLS

- | | |
|-----------------------|--|
| ❖ Analytical thinking | ❖ Adaptable |
| ❖ Proactive | ❖ Detailed |
| ❖ Self-starting | ❖ Kindness and the ability to work in a team |
| ❖ Innovative | ❖ Willingness to learn and a positive attitude to work |
| ❖ Creative | |
